SPRING 2006

Spring Message

With the beginning of a new year, one sees hope of things to come. As we open our doors each morning we are able to continue to be compassionate good listeners for those who come to the Inn.

The Saskatoon Friendship Inn is not a government agency, but a community agency. As your Executive Director, I set goals for fundraising each year. By using the calendar year the community can choose to support the program that works for them. This enables you, the donor, to choose to donate your resources or volunteer time, whichever suits you, and allows the Inn to keep our doors open.

I enjoy being out in the community as much as I can, to share who we are, why we are and how we can help those in need. We are also able to have tours of our building/facility and provide orientation to show those who donate and/or volunteer how important the Inn is to those in need.

Geselle Doell
Executive Director

Through the past 37 years we have seen many people benefit from the Inn's compassion to help those in need.

Saskatoon and rural areas see we have people in need and help us to make a difference to those less fortunate. We are not here to judge but to offer a warm, safe and heart-filled building.

This community helps the Saskatoon Friendship Inn with cash donations, volunteers, painting/upkeep and food donations.

Throughout the year we have some great times, laughter, smiles and yes, sometimes tears. As we are on the front line, helping those in need is very rewarding. Our volunteers are the clients who use our facility, school groups, churches, service groups, and businesses that sponsor a day. Some families choose to pay for a meal and come in to serve it in memory of a loved one.

I have enclosed a few pictures of some of the things we have done in the past year as well as some of our partners.

In late fall we had our roof redone, our washrooms updated and our very worn out floors replaced. We thank HRDC for their financial support.

Meet the Chef's Night 2006

This event was held on Friday, February 3 at Prairieland Park. It was a sell-out crowd; over 500 people were in attendance. Restaurants, hotels and food distributors were out to make a truly tasteful evening a success once again. Part of the proceeds are given to the Inn which allows us to keep our kitchen equipment updated. One of the events is the Iron Chef's competition and is always truly amazing. We look forward to next year's event.

Infra Ready Products (1998) Limited

In December, Infra Ready presented a proposal to the Inn of Friendship Soup Mix. This is a precooked base of pulses and grain. They have donated 1000 kg to the Inn that will serve 120,000 bowls of soup. The Inn, of course, will still need the other ingredients.

Infra Ready has made the soup mix available at Sask Market Place on 8th Street with the sales being donated to the Inn. A 5 kg bag sells for \$13.99. The Inn has already received \$800.00 from Infra Ready for the sales.
