

"POT OF SOUP APPEAL 2007"

*Please join-in with your support of the
Saskatoon Friendship Inn's
Pot of Soup Campaign.*

Please help us put a much-needed smile on those who are less fortunate in our own community. It is wonderful that we have a facility like the Inn so those less fortunate have somewhere to go to feel a sense of belonging. Your donation will help those who use our facility, help themselves. Help us provide the compassion to enable others to gain the courage to make each day a special one.

For over 38 years the Saskatoon Friendship Inn's doors have been opened to serve two meals per day, serving over 500 each day. In addition to the meals we offer social programming designed to help people help themselves and others. We provide crisis counselling, advocacy, referrals, information on the community for upcoming events, education opportunities, job and rent searches, access to health needs, volunteer opportunities to build self esteem. These are some of the things we can offer, as we are open every day of the year.

We never want to lose sight of the fact it is the whole family unit that matters. "If Mom or Dad need help", we need to try and try again to make a difference as it does affect the children who are the adults of tomorrow.

We are fortunate to have the community's support as we are not a government agency, we are truly a 365 day agency that has had the good fortune of being supported all these years by those willing to share with those less fortunate. As the cost of living increases we find we are serving more often the working poor or seasonally employed who can no longer support their families on minimum wage.

**The Saskatoon Friendship Inn needs your help
to continue filling the Soup Pot
throughout the year**

Each year we have a VIP Challenge to kick off our "Pot of Soup Campaign". We invite the media as well as celebrities from Saskatoon to send in their famous soup recipes, which our expert chefs prepare for them. This event is very competitive as our celebrities try to meet the various categories for the coveted "Silver Soup Ladle". The Fire Department, the Saskatoon Police Service, the media, and our clients participate as judges. The media helps us to create public awareness and to build a fun fundraising event for the Inn.

**Please consider taking
150 people to lunch for a
\$75.00 donation,
or to sponsor a day for \$187.50.**

With your purchase of a pot of soup you will also be given the opportunity to select the day on which you would like the soup served. (You may choose to have your pot of soup served on a birthday, in memory of someone special or another special day; your sponsored day will make it a special occasion for many people here at the Inn.) You are also invited to come to the Inn and serve the Soup.
